

Position: DO Supervisor, Dallas Area

Walker Elliott is in search of a DO Supervisor in the Dallas area with a growing, stable E&P company. This individual will oversee the entire division order department: creation, maintenance, and accuracy of record title ownership division of interest, handle interest transfers, setting up decks, issuing division orders, verify GWI/NRI on outside operated division orders, calculate DOIs.

Must have UPSTREAM O&G experience and have worked in a leadership or supervisory role in Division Order. Will only consider local DFW candidates.

Client will interview and hire immediately! Please inquire with me directly.
