DALWORTH NEWSLETTER

DALLAS – FT. WORTH ASSOCIATION OF DIVISION ORDER ANALYSTS

President's Corner

Loretta Hudson
XTO Energy Inc.

LETTER FROM THE PRESIDENT

Here we are in the Fall, one of the beautiful seasons of the year. Some people say they don't like it because things are dying and withering away. I prefer to think of it as a time that nature is taking a little break and preparing for a long winter's nap. That gives Mother Nature time to gather up strength for its rebirth in Spring, all rested and refreshed and ready to get the job done. That is what vacation is intended to do for us.

Hope you all have had a chance to recharge those inner batteries.

Our Joint Meeting in July with DFWALTA went so well we are planning another one later this month. You will be hearing more about that. The Board has also approved two luncheon meetings with them next year, one in Dallas and one in Fort Worth. We hope this will be a help to those who have difficulty attending the evening meetings.

The Board has voted to send three board members to Institute this year, Hanna Webster, Karen Albritton and Jo Losen. They are all three dedicated board members and will represent us well.

Our next official meeting will be our annual Christmas Party, this year held at the Gardens Restaurant in the Fort Worth Botanical Gardens. I hope to see you there, also at the Institute in Albuquerque and at the Joint Meeting later this month.

Here's hoping for lots of oil and gas production, good title and understanding owners.

Loretta Hudson

2007 NADOA Institute Goody Bags

NADOA 2007 ANNUAL EDUCATIONAL INSTITUTE Spirit In The Sky ... Flying High With Education

The National Association of Division Order Analysts (NADOA) is a professional organization committed to providing the finest in continuing education and promoting communication and cooperation among Division Order Analysts and the energy industry. Its membership of almost 1,000 includes not only Division Order Analysts but Lease and Title Analysts, Attorneys, Landmen, Land Analysts, Land Administrators, Revenue Administrators, and Mineral/Royalty Professionals.

NADOA's 2007 Annual Educational Institute will be held at the Hyatt Regency 330 Tijeras NW, Albuquerque, NM. The Institute provides an excellent means of staying current with industry trends from legislative and case-law updates to environmental issues, and is the best opportunity for attendees to share information and experiences regarding problems and situations encountered in our professions, every day.

Each year, NADOA looks to its member companies and associate organizations to help support the Institute. This letter concerns the donations of goodies for the Goody Bags.

On behalf of NADOA, I am asking for your support for the 34th Annual Institute. If you have contributed in the past, NADOA is grateful for your continued assistance. If you have not been involved in this aspect of our Institute, this would be a perfect time to begin a commitment to the ongoing educational development provided by NADOA.

In order to make a donation to this year's Institute, please read and complete the attached form. Return the form as directed as soon as possible. If you have questions or need additional information, please contact me. Thank you for your generous support.

Sincerely,

Sharon Baugh

Mary LeMond

Packet Co-Chairs

June 5, 2007

Re: NADOA 2007 Annual Educational Institute

Dear Member:

Attached you will find NADOA's letter requesting support for the 2007 Annual Institute. Please promptly take the letter and the attached form to the person in your company or organization who is responsible for approving packet donations. To enable NADOA to have the quality Institute that the industry has come to expect, our association needs your help. There are few other educational events that provide the caliber of topics, speakers and reference materials offered annually by the NADOA Institute. Industry support is the key to keeping this fine organization and educational event a cut above the rest.

If you have any questions, please contact me. Thank you very much for your help, and I hope to see you in Albuquerque in October.

Yours truly,

Sharon Baugh

2007 DALWORTH JOINT MEETING

Gathering together for the first joint meeting with DFW-Alta at the Dallas Petroleum Club was fun and interesting. It was nice to be able to join together with old friends and network with new ones.

Thanks to Vicki Coles for recruiting our speaker Mr. Larry Schilhabel, Holder Reporting Section Supervisor of the Unclaimed Property Division of the Texas Comptroller of Public Accounts Division. He was truly informative. This is always a hot topic, especially this time of year.

Maybe joint meetings are here to stay.
